See below – there are some SPAs who are in desperate need of volunteers.

I think Hollywood is closing the gap – we should be okay. I'll double check with Kyle Kirkpatrick early next week. But if you or your team could help in another area, it would be appreciated!

Subject: URGENT: WE NEED YOU - Volunteer for the 2017 Homeless Count

Dear Partner in Combating Homelessness - WE NEED YOUR HELP!

As you may know, the 2017 Homeless Count is taking place next week- January 24 - 26, 2017 in each of the Service Planning Areas of Los Angeles County. The homeless count data provides valuable information about our homeless neighbors and is key to how resources get distributed in the County and specific communities. To ensure that each community receives its fair share of the much needed resources, we need your help.

We are only 4 days away and we still need over 1600 additional volunteers. If you have already signed up, THANK YOU. Please spread the word to your friends and family. If you have not yet signed up, please join us in volunteering for the 2017 Homeless Count and invite your friends and family to do it with you.

We especially need your help in Service Planning Areas 6, 3, 2, 7 and 8. For your reference, below is a summary of the **minimum** number of volunteers still needed in each Service Planning Area to do an effective homeless count.
